Projects

MCKY Studio Labs

A creative studio dedicated to developing original games. Focus on strong storytelling and striking visuals, believing that games can convey extraordinary messages, emotions, and experiences. The game includes 'Echoes Of Paur' and 'PARMAN'.

Cari FilmNyok

A simple website for search movies and know about the details of the movie. This website just for me to learn about Javascript async/await, Module Bundler (Webpack), LocalStorage and TailwindCSS.

Pokedek?

Simple website about finding pokemon and learning about API. API used is PokeAPI.

Youth Ranger Indonesia

Improved the appearance of the Youth Ranger Indonesia website to make it look cooler.

Interests

Playing Game, Football, Chess
